St Edward's School

Unity - Achievement - Faith

16th September 2021

Dear Parents and Carers,

In previous years we have offered a Year 7 Welcome Evening to parents and carers. The evening is run by key members of staff, including members of the Senior Leadership Team and the Director of Learning for Year 7 and aims to provide information in relation to the school and how to support your child; it is also an opportunity to formally welcome you into the school community.

The date for this event will be 30th September.

Mindful of the current situation and the varying circumstances different families find themselves in we wanted to gather some feedback to support our planning. We could offer the evening in its traditional format, that is to say in school providing you with the opportunity to meet with staff and other families face to face and to see something of the school campus. Alternatively, we could move the event online, which may be more convenient for some.

If you would be interested in the event please complete the brief survey here so that we can adapt our planning to suit the majority. The survey will close at midday on Monday 20th September.

Yours sincerely,

Mr C Farrow
Assistant Headteacher
