25th April 2022

St Edward's Career Fair

St Edward's school is committed to providing an outstanding programme of CEIAG activities and guidance which will enable us to address the career development needs of all our students. We have incorporated this aim into our school development plan and it is a key part of what we want to achieve as a school.

As an integral part of this we have decided to run a Careers Fair on Friday 24th June 2022. We would like to take this opportunity to invite you to attend this event.

The event aims to raise awareness amongst students and their parents to the wide range of careers that now exist and the different routes that are available. Students will have access to colleges, universities, training providers and employers who will give then up to date advice and information about different jobs, courses and apprenticeships.

The St Edward's School Careers Fair will take place at the school itself starting at 9:15am and finishing at 3.15pm, with buffet lunch and refreshments provided.

Please confirm if you are able to attend this event by emailing ceastwood@st-edwards.poole.sch.uk outlining your requirements for the day using the form attached.
Please do not hesitate to contact me should you have any queries.

Yours Sincerely,

D Hurley
