About Us

St Edward's School opened in 1963 as Roman Catholic School serving the parishes of Poole. It took its name from the local Saint, martyred at Corfe Castle. Although little is known of Edward, as a teenage king with a strong Christian faith and a commitment to protecting the poor he provides an excellent role model for our young people. His story is told through our school badge with the crown of a king, the cross of Christ, a cup to symbolise his murder by poisoning and the blood of a martyr. The crown and cup also remind us of the Kingdom of God, and the "one cup in which we all share". (1Cov 10:16)

For many years, the school welcomed not only Roman Catholic families, but other Christians who were keen for their children to be educated in a faith context. In the early 1990's the school's second headteacher, Alan Murphy decided to formalise this arrangement and entered into talks with the Roman Catholic Church and the Church of England about St Edward's becoming a joint church school. A new covenant, setting out the values and principles behind the commitment was signed by the Bishops of Plymouth and Salisbury in 1993.

From then on, the school has continued to grow in success and popularity. The vision of the school is to provide an excellent education, in a comprehensive and co-educational context that develops the character of young people through the St Edward's Virtues, while safeguarding their experience of childhood.

Letter from the Executive Headteacher

At St Edward's School we are committed to preparing young people to live life to the full. We believe that preparation for life is best facilitated in the midst of a caring and supportive community that attends to spiritual and moral formation, as well as academic excellence.

Our school is a very successful, heavily oversubscribed, and distinctive joint Roman Catholic – Church of England Voluntary Aided School supported by the Roman Catholic Diocese of Plymouth and the Church of England Diocese of Salisbury. We are a truly comprehensive school, which educates over 1000 students from the age of 11 to 18, and welcome people of all faiths and none.

Our staff are the key to our success, and we recognise the part that every colleague plays regardless of their role. Our teachers are encouraged to be creative, and to grow professionally in ways that interest and excite them. Only by being passionate about their subject and about learning can teachers ignite curiosity and inspire a similar passion in the young. Our horizon for our students is a life well-lived, and our ambitions for each child extend beyond examinations and university. Our ambition for you is to work with you so that your career is rewarding and satisfying. We want you to be happy in your work, and we invest heavily in the professional development of all of our colleagues, so that they continue to derive professional growth and satisfaction.

We believe that children deserve to be equipped for life with the best education, together with values that enable them to navigate future choices and opportunities. We are committed to providing both.

I believe that St Edward's is a very special place to be, as confirmed by Ofsted, who in their most recent inspection in 2022 celebrated our positive learning community, with respectful, kind and polite students. Our curriculum was highlighted as being ambitious and challenging, strongly preparing students for future success. Our most recent Church School Inspection in 2023 rated us "outstanding" in all areas.

I am proud of our wonderful students, our dedicated staff and our supportive governors, parents and carers. I hope that your experience of us will lead you to believe that St Edward's is the right home for you. Thank you for taking the time to get to know us a little better. We will always be glad of the opportunity to speak with you or to meet you if you'd like to find out more. Whatever you decide about your next career steps, we wish you the very best.

Mr Michael Antram
Executive Headteacher
