What is Class Charts for pupils?

Class Charts allows you to keep track of your [achievements](#) and [behaviour](#), buy [rewards](#) from the Reward store, stay on top of your [homework](#), keep track of scheduled detentions, view your timetable, check your attendance, create wellbeing submissions and view announcements from your school.

Class Charts for students can be accessed via our [website](#), or by our [iOS](#) and [Android](#) apps.

You can access the student website and links to the student apps at:

<https://www.classcharts.com/student/login>

Behaviour

If your school has decided to share behaviour information, you will see the **Behaviour** tab in your account. Selecting this tab will display your overall behaviour in the form of a pie chart and a bar graph. By default, the displayed date range is **31 days** . To view a different range of behaviour data, click on the **Date** button.

Below these graphs you will find a list of behaviour activity. These display the **behaviour** that was awarded, **when** it was awarded, **who** awarded the behaviour, the **lesson** the behaviour was awarded in, and how many **points** the award is worth.

The level of detail within each behaviour award depends on the settings that your school has enabled.
