World Book Day Celebrations

This year World Book Day falls on **Thursday 6th March** and as always there is the chance to take home a book of your own for just £1. This year's teen offering is **'This Story is a Lie'** written by **Benjamin Dean**. The book centers around Harley Matthews who is selected to take part in the Rising Stars programme for gifted and talented students, but when a chalk outline of his body appears at the bottom of the school stairs he has to face the reality that someone wants him out of the competition permanently! To claim your free book simply pick up a £1 voucher from the library and take it along to a participating shop.

To celebrate World Book Day we will also be running a guess the reader and book quiz all week and a Big Book Swap in the library where you will have a chance to pick up a new book to read and get rid of any books that you no longer need at home.

British Science Week 7th - 16th March

British Science Week is a 10 day celebration of science, technology, engineering and maths and this year the theme is Change and Adapt, encouraging us to think about how the world around us is changing and how we can adapt to those changes. You can also think about all the change and adaption we see in STEM - the options are endless. Get involved with the secondary competition where students are asked to help scientists from UCL by coming up with a new idea or invention to improve the health of the air in our buildings. Find out more information here: www.britishtscienceweek.org and come into the library to take a look at the range of science and STEM book we have on offer.

Library Reading Challenge

This term the library reading challenge is all about building your own bookstack. We are challenging you to read 12 new books and if you can complete a challenge bookmark you will be rewarded with a pin badge which this term is linked to the theme of space, with the idea that reading takes you out of this world and expands your horizons!!!

Dates to note this term:

St David's Day
1st March

Pancake Day
4th March

International Women's Day
8th March

World Poetry Day
21st March

Recommended Read

Peregrine Quinn and the Cosmic Realm
by **Ash Bond**

Peregrine Quinn has always loved hearing her godfather stories about his life as an immortal, but that's all they were just stories. Until that is the portals that connect the Realms mysteriously shut down and Peregrine is swept into a nail-biting adventure, racing through the streets of Oxford, down the riverways of London and into the Under-Underground. Time is running out and the fate of all the realms is now in Peregrine's hands . .

The library is open at break, lunch and after school until 4:30pm Mon - Thurs, 4pm on Friday
