Hot Meals being served at St Edward's

Dear Parents and Carers,

We have reviewed our catering arrangements again in line with current Covid guidelines and I am pleased to inform you that we will be reintroducing hot meals for all students and staff when we return in January. Initially this will be on a Monday, Wednesday and Friday and we will review later in the Spring term to identify how we can bring full service back.

We will continue our pre ordering process and extend this to include the hot meal selection. We will remain cashless and our catering will be on the fob system, which can be 'topped up' via WisePay. If you have any queries regarding WisePay please email heretohelp@st-edwards.poole.sch.uk

I would like to take this opportunity to remind you that our catering is available to all students, as I know some families thought it was limited to those who receive free school meals.

Finally, I would like to wish all students and their families a good Christmas and a very happy, healthy New Year.

Yours sincerely,

Mrs. Marie Lane
Business Manager
