

Parent Governor Election

Dear Parents and Carers,

As of 1st January 2021, we have a further parent governor vacancy on the Governing Body and I therefore invite you to stand for election as a parent governor, or nominate another parent to do so. Nominations must be from parents or carers with children at the school on the day that nominations close. Self-nominations will be accepted, but if you are nominating another parent please seek their prior consent.

The governing body, with the headteacher, has overall responsibility for the running of the school. Governing bodies have three core strategic functions:

- Ensuring clarity of vision, ethos and strategic direction;
- Holding the headteacher to account for the educational performance of the school and its pupils; and
- Overseeing the financial performance of the school and making sure its money is well spent.

Each individual governor is a member of a governing board, which is established in law as a corporate body. Individual governors may not act independently of the rest of the governing board; decisions are the joint responsibility of the governing board.

The role of the governing board is a strategic one, its key functions are to:

- set the aims and objectives for the school;
- set the policies for achieving those aims and objectives;
- set the targets for achieving those aims and objectives;
- monitor and evaluate the progress the school is making towards achievement of its aims and objectives;
- be a source of challenge and support to the headteacher (a critical friend)

Anyone wishing to put themselves forward should have a keen interest in the school and be prepared to play an active part in the governing body's work. You will be expected to undertake relevant training and sit on one committee in addition to attending Full Governing Body meetings and carry out monitoring visits termly.

There is a full governing body meeting once a term and there are 4 main committees also meeting once a term:

- Business and Premises Committee
- Personal Development, Behaviour and Attitudes Committee
- Teaching, Learning, Assessment and Curriculum Committee
- Ethos (for Foundation Governors)

We would welcome nominations from parents with the skills and experience in areas such as education, special needs, ICT, human resources, finance, legal, data, safeguarding, health and safety and project management.

Governors also need the ability to be able to build relationships with a range of people, to be able to work as part of a team, to be able to question, and to make connections between different types of information. Confidentiality is essential, especially around staffing, pupil and financial matters.

Yours faithfully,

Beth Stannard
