

St Edward's School

Unity - Achievement - Faith

4 January 2021

Dear Parents and Carers,

Following the announcement by the Prime Minister this evening I am writing to confirm that with effect from tomorrow morning the school will be closed to all but those children who are school designated as vulnerable or the children of key workers who **cannot be cared for at home**. I am aware that some children were sent to school today who fall into neither category and I regret that due to the seriousness of the situation the school will not be able to allow this going forwards.

From tomorrow morning all learning will continue to be remote, but from next Monday morning we will revert to the weekly overview for parents to help you to help your child.

A small team of staff will now be on site tomorrow, and all other staff will be working remotely with immediate effect.

We will be in contact with further information in the days ahead.

On behalf of the SLT, and all of my colleagues at St. Edward's I want to say how sorry I am that we are once again in this position. We will do our very best to provide all we can to help you and your child in the weeks ahead, and we are thinking of you, hoping that you and those you love stay safe and well.

For now, with all good wishes,

Yours sincerely

Mr M Antram
Headteacher
