

# St Edward's School

Unity - Achievement - Faith

15<sup>th</sup> December 2021

Dear Parents and Carers,

You may be aware the government provides free period products for any pupil who needs them – whether this is a financial need, they have forgotten their products or have found themselves needing them without notice. For more details, please visit the government website here:

<https://www.gov.uk/government/publications/period-products-in-schools-and-colleges/period-product-scheme-for-schools-and-colleges-in-england>

These products are currently available via the student office. As sixth form students, we wanted to improve availability and accessibility for younger students to reflect our own experience lower down the school. From Thursday, pupils will be able to access the products either from the student office or from us in E3. Please do encourage your child to access this service and these products if they need to, we are hoping that the adjustment in provision will support everyone in feeling more comfortable in accessing period products, and increase confidence, irrespective of gender, in having conversations around periods.

Yours faithfully,

Sixth form period project students
