

St Edward's School

Unity - Achievement - Faith

12th September 2022

Open Evening – 22nd September

Dear Parents and Carers,

On Thursday 22nd September we will be opening the campus so that prospective parents and carers are able to visit as they consider where to send their children for secondary education. In order to allow staff to prepare, and since a number of students will be coming back to support us on the evening, we will be closing the school early as we have done in previous years. This means that school will close at 1.30pm on Thursday 22nd September. We will be operating a grab and go lunch for students who receive free school meals or for those who wish to pre-book a lunch. Students will also be able to take advantage of our break time provision if they would prefer to get food then.

The Freedom Coach will be coming to collect students at 1.50pm and students who need to wait should go to the Astroturf, or the Canteen in the event of rain. Should any students wish to remain in school until the end of the day they should inform their tutor. We are always delighted when students return in the evening to support the school and would ask any students that are working in department areas or acting as guides to wear their normal school uniform.

Finally, please can I ask that if you collect your son or daughter by car that you park considerately and do not obstruct the driveways of our neighbours. Thank-you in anticipation of your help with this.

Yours sincerely,

Mr C Farrow
Assistant Headteacher
