

St Edward's School

Unity - Achievement - Faith

21st October 2022

Dear Parents and Carers,

I am writing to inform you of the extra-curricular opportunities we have in the Music Department.

	Lunchtime (1:35pm-2:10pm)	After school (3:15pm-4:15pm)
Monday	Choir	Prefect meeting
Wednesday		Orchestra
Friday	Music Theory	Band

In addition to this, we have the practice rooms which are open to students to practice either the school's or their own instruments during break, lunch or after school.

If students are interested in taking up a new instrument, then do get in touch as we have a fantastic peripatetic program with plenty of teachers who deliver a wide variety of instrument lessons. E.g. Piano, Guitar, Drums, Woodwinds, Brass, Strings.

Finally, we have a very exciting year of concerts, performances and productions coming up where our choir and orchestra will be performing to a number of different audiences. Students are also able to sing solos, perform individually or in small groups. The possibilities are endless and if your child has a musical talent, or interest in getting involved from a production side of things, then I encourage them to see me and get involved.

I look forward to a very successful and exciting year!

Yours sincerely,

Mrs Lauren Keene
Subject Leader of Music
