

UNIFORM UPDATE

2023 PARENT CONSULTATION

We're in the process of updating our uniform policy to make uniform more affordable and easier to purchase through an online shop. Although most of the uniform items won't be changing in style, the new range offers significant reductions in price. There will be a new sports kit introduced from September 2023 to increase the choice available whilst maintaining the high standards that St Edward's expects of our students.

Please spare us a few minutes to give your thoughts on this update and complete our parent uniform consultation form emailed to all parents and carers.

WE WANT YOUR FEEDBACK
