Mission Statement

MAY WE BE ONE

In purpose – educating for life in all its fullness

In faith – encountering God who lives among us, calling us to unity

In dignity – nurturing confidence and maturity

In community – striving together for justice, love and peace

St. Edward's school expects all of our students to take pride in their appearance, and to wear our school uniform correctly at all times on campus and when travelling to and from school.

Our Mission Statement calls us to be one in community and therefore in choosing a school with high expectations, including with regard to uniform, personal preference must be set aside, so that it is never suggested or implied that our rules apply to some but not others. As with all aspects of school, there will be different views among families regarding 'acceptable' styles. This policy makes clear what is considered acceptable by the school. There are no exceptions to our expectations regarding uniform and any student not wearing the correct uniform will be temporarily loaned the required item, until they have secured their own replacement. Full acceptance of our published policy, as with all school policies, is a requirement of a child sustaining their place at St. Edward's. The Governing Body assert its legal right to a policy governing student dress and appearance. School staff are expected to strictly enforce this and all policies, in the interests of fairness and compliance with school standards.

Uniform Principles

- We expect support from parents and carers with regard to school uniform and student appearance so that our students are a credit to themselves, their families and the school.
- The purpose of our students' uniform code is to encourage a smart appearance which also promotes a feeling of pride and self-respect.
- All school staff will secure our expectations with all students so that they experience consistency.
- The uniform code is designed to be in keeping with an atmosphere in school which is focused on learning, and it also gives due consideration to the health and safety of our students.
- Students represent the school beyond our school gates and are covered by the behaviour policy travelling to and from school.
- If a student is unable to wear full uniform on a particular day, this must be covered by a note from a parent or carer, and corrected uniform will be expected on the following day. A student may be required to wear uniform temporarily loaned by the school and refusal to do so will be treated as defiance and dealt with accordingly.
- Students not wearing the correct uniform send out a signal to other students that uniform is not important. We may remove from circulation a student who does not comply with our school uniform policy without good reason, as this will be seen as defiance. Alternatively, or in addition, if the school considers that the non-compliance is deliberate, the full range of sanctions, including exclusion, may be used. In addition the law authorises schools to send a student home to correct their uniform.
- Any temporary requests for variation to normal uniform on medical grounds must be supported by medical evidence, such as a doctor's note.
- Students are expected to wear full school uniform throughout the school year and to replace items which are outgrown immediately.
- The decision of the school regarding uniform and appearance is final.
- The school will not spend valuable time discussing our policies, including uniform with students, or their families. Acceptance of our policies will be assumed by a student continuing to want a place in our over-subscribed school.
- The governors' policy indicates uniform items that must be purchased through our official uniform supplier (see further in policy). The suppliers are reviewed annually to ensure that their prices are competitive.

In making this provision, the Governing Body will ensure that high standards of uniform do not deteriorate through purchase of items other than those available through the school official suppliers. Governors will expect the school’s leadership team to rigorously enforce the published uniform code throughout the year.

The Uniform Code forms part of the Home-School Agreement and adherence to the code is essential to achieve the following aims:-

- 1 Achieve a clear and positive identity for the school and our students.
- 2 Give an indication that we are a well-ordered and disciplined school that sets **high standards** in all matters.
- 3 Ensure students are in full uniform both **in school and on the way to and from school**.
- 4 Provide practical but **smart** and ‘business like’ clothing suitable both for use within school and for movement around our site.
- 5 To take into account that some items, such as appropriate footwear, take into account Health and Safety considerations in different areas of the campus, and the need for students to remain comfortable in inclement weather.
- 6 Help parents and carers by requiring reasonably priced school wear which protects the students from pressure to conform to the whims of fashion.
- 7 We apply our uniform policy in line with the Equality Act 2010.

The supplier for our school uniform and school PE kit is: Price & Buckland, orders can be made online at price-buckland.co.uk

Outer Clothing

Students are expected to travel to and from school in their uniform

- Blazer with badge to be worn at all times of the year
- Cycle helmet and safety reflective bands are recommended for cyclists.
- Bags need to be suitable for carrying text books and school equipment and protect them from the elements. Fashion bags are not suitable.
- Coats should be smart, reflecting the standards of dress expected at St Edward's school. Hoodies may not be substituted for school jumpers.

Trips, Residential Visits and Non Uniform Days

Clothing for day visits, *non-uniform days* and residential trips must be smart casual. This means that beachwear is unacceptable. School uniform may be required on certain visits as notified by the trip leader. This code also applies to any non-uniform days, unless otherwise instructed.

- No shoestring/strapless tops/crop tops/ vest tops
- No flip-flops or shoes without a strap to support the heel
- No leggings to be worn unless covered with a respectable length top or skirt
- Jeans are acceptable but must not have holes or tears
- No dresses and skirts with holes or tears
- Dresses, skirts and shorts must be of a respectable length
- No fancy dress unless part of a themed day
- School policy regarding piercings applies equally on non-uniform days or on school trips.

For day trips you may be refused permission to attend the trip if your clothing is unsuitable and does not adhere to the code above.

For residential trips staff have the right to ask you to change if you do not adhere to the above dress code.

Anyone who does not follow the regulations on non-uniform days will be sent home to change or will be removed from circulation.

Summer Uniform

During warmer weather, the school still has high expectations of students to be wearing the correct uniform.

Summer Uniform

The school makes provision for warmer weather through adjustments to its normal uniform code. School shorts may be worn for the duration of the summer term up to, but not beyond the October half-term.

Blazers

When the school determines that the weather is too warm to wear full uniform during the day, students will be permitted to remove their blazers by staff. Blazers should continue to be brought to school so that full uniform can be resumed if the weather changes.

In very hot weather, the school may relax uniform expectations further.

The school will make the decision when to relax the uniform and this will be made on a day by day basis.

Shorts

Shorts may be purchased (only) from our outfitters for use during the summer uniform period above. A version for male and female students is available. Shorts must be worn with black ankle socks (nb. Trainer socks, or knee-length socks, or patterned/logo socks will not be permitted).

The blazer must also be worn except in circumstances detailed above.

SHOES

In particular can we please draw your attention the photos of acceptable footwear, as some shops do advertise some inappropriate footwear as "school shoes" and we want to prevent any confusion or financial inconvenience when new shoes don't meet the uniform code and have to be returned. (new photo below)

Trainers, including black trainers and canvas shoes are **not** allowed.
*Shoes with obvious brand logos, and boots are also **not** allowed.*

We are grateful for the support parents and carers show us in upholding these standards to make students at St Edward's smart and proud of the school they attend.

Policy Review

The Governing body will review this policy annually and associated procedures to ensure its continuing appropriateness and effectiveness. The review will take place in consultation with the headteacher, staff and parents and carer.
