## Careers & Apprenticeships events for Years 10-13

Dear Parents & Carers,

I wanted to make you aware of a couple of local events that will be taking place over the next few weeks that your son/daughter may be interested in to help them explore their pathways after school and future careers.

Bournemouth and Poole College are hosting an 'Apprenticeship Unlocked' event on Thursday 8<sup>th</sup> February at the Pavilion in Bournemouth. Students will have the opportunity to meet and possibly select their future employers from the apprenticeship programme at Bournemouth and Poole College. This would be a great opportunity for students to come and meet potential employers and find out more about the apprenticeships they offer, and it's free to attend. Employers from a range of industries including healthcare, beauty, engineering, construction, human resources (HR) and catering, amongst others will be represented. Apprenticeships are available from Level 2 to Higher Apprenticeships so it's a great opportunity for year 10 to year 13 to gather information about options for their next steps. If you are interested in attending, you will need to book a place on their website.

**Date:** Thursday 8th February 2024      **Time:** 4-7pm

**Location:** Ballroom at the Pavilion Theatre, Bournemouth, BH1 2BU

The second event is the Careers and Apprenticeship Show which will take place on Thursday 14<sup>th</sup> March. This event is open to all students across the conurbation in Years 10-13. This event will be taking place at the Bournemouth International Centre (BIC). Year 12 will be attending during the school day and this has been booked by Mr Elliott. However, the event is open after school for parents and students from other years to attend independently. I have heard that it is very popular so I would advise booking tickets as soon as possible if you are interested.

**Date:** Thursday 14 March 2024      **Time:** 4-7pm

**Location:** The Bournemouth International Centre (BIC), Bournemouth, BH2 5BH
