GCSE AQA GCSE (9-1) History Revision Guide

Dear Parents and Carers,

As we prepare for the upcoming examinations for Year 11 and begin to prepare Year 10, for their mock examinations, we have reviewed the offering of revision guides for the AQA GCSE history course. Therefore, we can offer the opportunity to purchase this revision guide, published by Hodder Education. The revision guide contains all 4 of the modules we study, making it an asset in gaining a good overview of the course.

The revision guide gives students the opportunity to track their progress. It identifies key points, terms, and revision areas before giving students the opportunity to practice exam questions and test themselves. This will support students in addressing any gaps in their knowledge, as well as consolidating the key facts needed for their examinations.

The guides can be purchased through the school at a price of £8.05. If the school is in receipt of Pupil Premium funding for your child, then the relevant guide will be provided free of charge by the school. You will not need to respond to this letter.

Please don't hesitate to contact me if you have any questions about the revision guides.

Yours sincerely,

Miss Jessica Elms
Subject Leader for History and Politics
